Williams Retains North State Title

Ed Williams, of the Redwood City Sportsmen's Club, Saturday retained his sub small bore .410 guage championship in the annual Northern California Skeet Championships at Fresno by shattering 91x100 birds in the Class A event.

J. P. Cuenin, San Francisco sportswriter, broke 96 birds to hold his .20 guage championship. Williams holds the world's record for the .410 event with 98x100.

SHORT CHANGERS GUILTY

Linwood A. Dale, 40, and Robert Wilson, 51, arrested by Redwood City police on charges of short-changing a clothing merchant, were convicted after trial before Judge McAuliffe Tuesday morning and sentenced to six months in jail each.

Station Operator Injured When Fire Damages House

EAST PALO ALTO, Apr. 1 — Fire which apparently started from defective wiring in a radio spread through three rooms of a Bayshore Hwy. residence last night, almost trapping two persons and resulting in injuries to one of them. Traffic was jammed as curious motorists stopped to view the blaze.

E. J. McCray, 45, lessee of a gasoline station on Bayshore Hwy. and Addison Ave., incurred first degree burns of the head and face as well as bruises and contusions of the face. His hair also was singed before he could make his way out of the house.

His wife, Mrs. Bessie McCray, who was asleep in another room, managed to leave the building by a rear door before smoke and flame got into the bedroom.

Only five feet in front of the living room, which was charred by the fire, were three gasoline pumps which might have set off an explosion had the flames spread to the exterior.

Smoke from the fire could be seen for several miles by the time McCray reported the blaze to the Menlo Park Fire District about 10:45 p.m.

Dental Operations Depicted in Movie

So realistic they made some members feel squeamish, colored motion pictures of dental operations were shown before the Exchange Club Tuesday by Dr. Wilfred Robinson, Oakland dentist and president-elect of the American Dental Association.

Explaining that "this is a new type of visual lay education" prepared because the public now wants to know what is happening to them and why, Dr. Robinson pointed out the various steps in the three operations shown, which were for impacted teeth.

The picture, prepared by the College of Physicians and Surgeons, San Francisco, also showed X-ray photographs of fillings and decayed teeth.

Dr. Rollo O. La Berge was program chairman, and spoke in favor of Propositions 6 and 7 on the Apr. 9 Redwood City election ballot.

Next week Carroll D. Hall, co-author of Bonanza Inn and first president of the Redwood City Exchange Club, will be speaker at an "Old Timers Night," to which all former members of the club are invited. The dinner meeting will begin at 6:30 p.m. at Cafe de Paris.

FOUR AUTOS PILE UP

Although four machines piled up in a Five Points collision Monday afternoon, no one was injured. Driver of the cars were Mrs. George Taylor, San Mateo; Chester R. Roberts, 34, Salinas; Mary B. O'Neill, Coalinga, and Edwin St. John Greble III, Menlo Park, according to police.

'BROTHER RAT' AND HIS BABY AT SEQUOIA SUNDAY

THEY'RE BACK WITH A BANG—AND A BABY! The stars of that hit comedy "Brother Rat" are back in a brand-new sequel, "Brother Rat and a Baby," which will have its first local showing at the Sequoia on Sunday. (Left to right) Wayne Morris, Priscilla Lane, Peter B. Good (the baby), Eddie Albert, Jane Bryan, Ronald Reagan and Jane Wyman

McGrath May Lose Job in F. R. Plan

Abolition of the office of District Commissioner of Immigration and Naturalization as proposed by President Roosevelt in a third government reorganization plan submitted to Congress Tuesday would affect ex-Congressman John J. McGrath of San Mateo, appointed San Francisco district commissioner in 1939.

The President's order held that the post imposed unnecessary supervision over the office of the district director of immigration and naturalization, held in this district by Edwin L. Haff.

The presidential order will become effective in 60 days if not rejected by both houses of Congress. The seven-point program would save about $150,000 a year, the President estimated, which "comparatively small amount in no way measures the worth of the proposals."

Abraham Lincoln is said to have raised a beard at the suggestion of an 11-year-old girl. His wife liked his appearance better without a beard.

It required 180 musket balls to kill a dangerous elephant in a London menagerie in 1826.

MEMORIAL DAY RITES PLANNED

Plans are now being made for Redwood City's 60th annual Memorial Day services, according to Floyd D. Granger, parade chairman; Mary Winters, program chairman, and Roger Walsh, general chairman.

The exercise May 30 will be held at 10 a.m. in the Sequoia Theater. The United Veterans Council will join with Gen. George S. Evans Woman's Relief Corps in arranging the observance.

Following rites in the theater, there will be a parade to Union Cemetery, where military and devotional services will conclude the observance.

Organizations are now being invited to "join with us to dedicate this day to patriotism and give more thought to some definite plan for world peace," according to Granger.

The typical Mexican home is virtually fireproof for practically no wood or other inflammable material goes into its construction.

Incumbent Loses To C. B. Weltner In District Voting

MENLO PARK, Apr. 2—In a spirited election which saw almost 1600 votes cast—highest poll ever recorded in the Menlo Park Fire District—H. J. Jepsen, chairman of the board of fire commissioners, was defeated yesterday by Cresap B. Weltner, Palo Alto automobile dealer and resident of Atherton.

Weltner emerged from the balloting with 914 votes—more than twice as many as Jepsen, whose total was 435. John A. Sullivan, chairman of the Menlo Park Improvement Club, secured 169 votes.

The vote by precincts was as follows:

Atherton: Jepsen 158; Weltner 103; Sullivan 12.

Menlo Park: Jepsen 234; Weltner 379; Sullivan 145.

East Palo Alto: Jepsen 43; Weltner 432; Sullivan 12.

Arising at almost the last minute in the campaign was the issue of the chief of the fire district, Thomas F. Cuff, with Weltner declaring that he placed unlimited confidence in the department and the chief.

Retired Contractor Dies at Menlo Park

John Weales, retired San Francisco building contractor, died at his home, 625 Menlo Ave., Menlo Park, Monday. He was 81. Mr. Weales was the grandfather of Mrs. Edward J. Ryan, wife of the Menlo Park city judge.

Mr. Weales had lived in Menlo Park for 11 years. He was the father of John and Theodore Weales of San Francisco and Mrs. Victor Dupont of Menlo Park. He was a native of New York.

Belmont-San Mateo Fire Merger Asked

SAN MATEO, Apr. 2 — Contractual consolidation of the San Mateo Fire Department and the Belmont Fire District to provide fire protection for South San Mateo was proposed to San Mateo City Council last night by Councilman Edward E. Keller.

The council immediately authorized City Atty. Ernest A. Wilson, City Manager W. D. Soule and Fire Chief Hugh Morris to confer with directors of the Belmont District and Belmont councilmen to determine if such an agreement could be reached.

The figure of Freedom surmounting the dome of the national capitol weighs 7½ tons.

Crewman Lost Off Freighter

The Charles L. Wheeler Jr., McCormick line lumber freighter which is a frequent visitor at the Port of Redwood City, ran into difficulty when it struck a southwest gale off Cascade Head, south of Tilamook, Ore., Saturday, and lost one of its crew members and suffered injury to four others.

Second Mate Robert D. Fulton, 35, of San Francisco was swept from the deck as he was attempting to repair the vessel's jammed steering gear during a 70-mile gale. Nils Willanger, 35, San Francisco; Jack Worley, 42, Portland; Axel Anderson and W. E. Ethier, ages and homes unknown, were injured.

Captian Oscar Sala reported from Astoria the Wheeler was hove to and Fulton was working on the steering gear with the four seamen when a mountainous wave crashed over the stern. Seaman Hugo Isaacson threw a life buoy but Fulton was swept under.

The freighter was en route to San Francisco with Columbia River lumber when the storm struck.

The British museum in London, has samples of honey which are thousands of years old.

SAFETY LEADER

Dr. Walter Scott Franklin, president of the California Safety Council, was one of the first motorists to sign up as a member of the 1940 "Share-The-Road" Club sponsored by Shell dealers. He received one of the new day-and-night reflector emblems for his car and expressed approval of the highway courtesy crusade.

The greatest area of quicksand in the world is Diamond Shoals, off Cape Hatteras. N. C.

The largest library in the world is in Moscow, Russia. It contains 12,000,000 volumes.

OPENING SET FOR APRIL 21

Full co-operation of the Redwood City Chamber of Commerce was promised by directors Tuesday to the California Mission Trails Association for participation in the opening of 19th Ave. into San Francisco Sunday, Apr. 21.

Pointing to "the value and importance of this highway to the Peninsula in speeding traffic into downtown San Francisco," the directors authorized a committee to contact Mayor L. C. Christensen for a proclamation, and to request action by the Redwood City City Council urging local participation by entering automobiles in the "motorcade," one of the major features.

Five hundred window stickers with the slogan, "Redwood City — Climate Best by Government Test," will be provided by Manager Wyatt for those machines participating.

Pres. Sam H. Winklebleck was authorized by the directors to name a committee to assist O. S. Oleson, M. A. Grant, L. E. Wolbert and Charles H. Holt, of the Recreation Fund Committee, to secure from the city council funds for staging the July 4 celebration. Request to the council is to be made next month, it was indicated.

Atty. Wayne R. Millington, recreation commission chairman, invited members of the board to participate Saturday in a tour of Peninsula recreation facilities, starting from Menlo Park and ending at Daly City.

Other business:

Extended a vote of thanks to Lewis E. Franklin, Oleson and Dr. W. B. Langston, members of the chamber program committee which was responsible for the chamber luncheon last week. A total of 64 tickets was purchased, the committee reported.

Approved a request by Henry Witte, representing the Redwood City Real Estate Board, that the chamber request the city council for an appropriation of $55 for a half-page advertisement in the California Real Estate Magazine.

Pedestrian Injured On Downtown Street

William Hickey, 31, San Mateo, was taken to Palo Alto Hospital with a broken left leg after he was injured at 11:50 Wednesday in front of Dodge's Redwood Bowl on Broadway, Redwood City. He incurred the injury when the automobile of Mrs. Mabel Kurtz, 48, San Francisco, struck two parked machines between which Hickey was walking, throwing him to the sidewalk.

According to Redwood City police, Mrs. Kurtz made a wide turn off Jefferson Ave. onto Broadway and rammed the two parked vehicles. The parked machines were registered to John L. Sloane, San Jose, and Julius Hernandez, 200 Third Ave., Redwood City. Mrs. Kurtz was not held.

Nothing Wacky About This Little Yak

Spring comes to San Francisco, and with it one of the few baby yaks ever to be born in an American zoo. A day old, the nameless babe seeks its mother's protection. "We don't name yaks," said a zoo official, "you can't suggest anything more distinctive than 'Yak.'"

SIDE GLANCES By Galbraith

"All the fellows at the office agree with me that the man should handle the family's income."

Former R. C. Man Wins Speaking Meet

Jack Frost, former Redwood City resident and the son of Mr. and Mrs. Willis G. Frost of Turnsworth Ave., received one of the highest honors bestowed upon an employe by the Pacific Gas & Electric Co. when he was named winner of the annual P. G. & E. Public Speaking Contest last Friday night at the Western Women's Club in San Francisco.

Frost represented the Sacramento district of the company, where he is employed. He competed against nine other district representatives before an audience of 300.

Frost, who was graduated from Sequoia High School in 1932, spoke on "Strange Things I Have Seen in Strange Lands." He was presented with a clock. Judges of the contest were Tully Knoles, president of College of the Pacific; Prof. Arnold Perstein of University of California, Atty. Walter Rountree and Vincent J. Mooney, of the San Francisco branch of the American Trust Co.

The contest was held under the auspices of the "Five-Thirty Club," a public speaking club sponsored by the utilities company.

Second Twin Succumbs Of Flood-Caught Cold

SAN MATEO, Apr. 3—The February storm which drove many Coastsiders from their flooded homes was blamed indirectly for the death today of little Ronald Jensen, two-month-old baby whose twin brother died several days ago.

Both babies died of the aftermaths of colds they contracted after leaving Community Hospital, where they were born Feb 1 to Mr. and Mrs. La Mar Jensen. The father is a Pescadero rancher.

Lemon Juice Recipe Checks Pheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound today. Mix it with a quart of water, add the juice of 4 lemons. It's easy. No trouble at all and pleasant. You need only 2 tablespoonsful two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggust under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by Economy Drug Company and good drug stores everywhere.

Peninsula Roads Jammed, Crashes Few Over Sunday

Peninsula highways were jammed Sunday as motorists took advantage of the first clear weather in three days to "get out in the fresh air."

But despite the overcrowded conditions only two injury accidents were reported over the weekend, neither of them occurring during the height of the traffic exodus to the thoroughfares. Four San Franciscans incurred minor injuries on Skyline Blvd. Saturday night, and a Burlingame man, Fred Stoltz Jr., 21, received severe lacerations of the head and face when his car went out of control and hit a tree on El Camino Real just north of the Burlingame city limits early yesterday morning.

Schaldach, Father Of Grid Star, Dies

SAN CARLOS, Apr. —H. B. Schaldach, 55, special agent for an insurance company, who had lived in San Carlos at 678 Dartmouth Rd., for the last 3½ years, died last night in a San Mateo hospital after an illness of two weeks.

His son, Henry W. (Hank) Schaldach, now a San Francisco attorney, formerly was a star football player for the University of California.

Mr. Schaldach was a native of Wisconsin and had lived in California for the last 34 years. He was a member of California Lodge 1, F. & A. M., and a member and past patron of Trinity Chapter, 434, Order of Eastern Star, in San Francisco.

Survivors include his wife, Mrs. Louise Schaldach; another son, Robert Schaldach, and three brothers, Hugo, Milton and Walter Schaldach.

Minnesota ranks first among the states in the production of barley and rye.

Kathrina Dressen Is Taken by Death

SAN MATEO, Apr. 1—An illness of more than a month Saturday night claimed the life of Mrs Kathrina Dressen, 68, San Mateo resident fo ra half century and widow of the late Joseph P. Dressen.

Mrs. Dressen is survived by three daughters, Miss Margaret Dressen; Mrs. Francis J. Robinson, wife of the San Mateo County Probation officer, and Mrs. Arnold Montemagni, all of San Mateo, and a son, Joseph H Dressen, Burlingame.

Four hundred miles of link sausage wrapped in "skins" made from cotton linters are eaten by the American people every day.

The famous Comstock lode of Nevada has produced nearly $800,000,000 in gold and silver.

MENLO PARK NEWS

KEHOE-DEBENEDETTI RITES

MENLO PARK, Apr. 4—Miss Lorayne DeBenedetti of Woodside and James J. Kehoe, San Mateo, are to be united in marriage in St. Matthew's Catholic Church, San Mateo, today, at a quiet wedding, with only relatives and a few friends witnessing the impressive ceremony.

Miss Carmel O'Keefe ,a schoolmate of the charming bride, is to be Miss DeBenedetti's only attendant.

Miss DeBenedetti, daughter of Mr. and Mrs. J. L. Debenedetti, and niece of A. P. Giannini, president of the Bank of America, is a graduate of the Sacred Heart Academy, Menlo Park, and San Francisco College for Women. Mr. Kehoe is a son of Mrs. Margaret Kehoe and the late Dr. E. J. Kehoe, U. S. Army physician.

Mr. Kehoe is engaged in the real estate and insurance business and is active in Democratic politics. It is said he is slated for a luctrative position under the present state administration.

Mr. and Mrs. Kehoe will, on their return from the honeymoon, reside in San Mateo.

★ ★ ★

John Weales, retired contracting painter of San Francisco, but for some time a resident of Menlo Park, passed away at his home on Menlo Ave. Monday. He was a native of New York, aged 81. Mr. Weales was the father of Mrs. Victor Dupont and Mrs. Edward J. Ryan of Menlo Park and John and Theodore Weales of San Francisco.

★ ★ ★

The acacia trees are blooming beautifully and sending forth their sweet-smelling odors for the enjoyment of all. There is, however, a movement started to destroy these trees as it is alleged they are disease breeders. It is said the State Health Board has the matter under investigation.

★ ★ ★

Almost 1600 votes were cast at the Menlo Park Fire District election last Monday. It was the largest vote in the history of the district. There was no apparent issue that would call out such a vote.

Just before the election rumor was heard that the position of Chief Thomas F. Cuff might be affected if a certain candidate were elected. This may account for the big vote. Mr. Cuff is a popular and efficient officer who has the community behind him. C. B. Weltner, a Cuff supporter, walked away with the election.

The vote by precincts was as follows:

Atherton: Jepsen 158; Weltner 103; Sullivan 12.

Menlo Park: Jepsen 234; Weltner 379; Sullivan 145.

East Palo Alto: Jepsen 43; Weltner 432; Sullivan 12.

★ ★ ★

The city election next Tuesday is going to be an exciting affair. There are six candidates for the two vacancies on the town board. The aspirants are F. L. W. MacDonald, Harry V Case, Irving Dunn, Paul Bryant, Frank Becker and Joseph Day We make no recommendation. Make your own choice and select men who will do their duty honestly and efficiently.

The candidates for city clerk are Mrs. Fannie I. Kurtz, Harry Walsh and Mrs. Edith Cain. The incumbent, Mrs. Kurtz, has been a faithful, competent and painstaking official who should be retained.

Mrs. Frances E. Maloney is opposed by Miss Ursula Leonardi for treasurer. Mrs. Maloney is a capable guardian of city funds who has worked for a small salary and is entitled to the increased pay effective May 1. There are 1800 registered voters in the city and it is believed there will be at least 1700 ballots cast next Tuesday.

★ ★ ★

The Forty Hours' Devotion will begin at the 11 o'clock mass on Sunday in the Church of the Nativity and continue until Tuesday morning. An extra priest will be selected to assist in the services.

The rainfall to date has been 23.60 inches, as compared to 9.60 inches at this time last season. According to the records kept at the Southern Pacific station, this has been the greatest rainfall in 30 years.

★ ★ ★

Father Connery, assistant pastor of the Church of the Nativity, received word this week of the death of his mother, Margaret Connery, in Ireland recently. She was a devout and holy woman and beloved by all who knew her. She was 61 years old and had lived all her life in the land of her birth. A mass for the repose of her soul was said Thursday morning. Father Connery has the sympathy of all in his bereavement.

Drunk Charges Set Against Motorists

James Wallace, 36, a Burlingame horseman, was free on $100 bail today following his arrest on charges of being drunk on a public highway. Wallace was jailed by State Highway Patrolman James B. Dalziel following a non-collision accident on the Half Moon Bay Rd. west of Skyline Blvd. Wallace's vehicle was the only one involved. No one was injured.

Fred Portman, 67, retired Vallejo resident, was jailed at 8:45 p. m. on drunk driving charges by Patrolman Lloyd Minehan. He was arrested near South San Francisco on Bayshore Hwy. and held in lieu of $50 bail.

A reckless driving complaint was filed against George H. Brennan, 42, San Francisco, arrested Sunday on Bayshore Hwy. at San Mateo.

Patrolman Walter Sequiera signed a drunk driving complaint against Frank LeDuke, 55, Burlingame, jailed Monday night on a charge of being drunk on a public highway. LeDuke was arrested after an accident at Millbrae and was released on $50 bail.

Sequoia Frosh Nine Ties St. Joseph's, 1-1

Darkness fell and they still were battling, so they called it quits with a 1-1 tie in yesterday's contest between the Sequoia High Frosh-Soph nine and St. Joseph's of Belmont.

The Cherokees, who were to go to Half Moon Bay High today for a return game, defeated the Belmont nine 6-0 last week behind one-hit pitching by Johnson and Palomar.

Rug Salesman Is Fined $200

John J. Hamilton, 35, accused of selling common jute rugs as "Orientals" to a Redwood City housewife, was fined $200 on a similar charge in Berkeley yesterday. Hamilton sold five of the rugs for $100 to Dr. Samuel J. Holmes, University of California professor, who learned subsequently the rugs were worth half what he paid for them.

Police Judge Oliver Youngs of Berkeley found Hamilton guilty of petty theft. Half of the fine will be refunded to Dr. Holmes by order of the court.

In Redwood City Hamilton was charged with selling a $20 rug for $90. He is free on $250 bail and his trial has been set for Apr. 11.

Sewer Assessment Protest Meet Set

EAST PALO ALTO, Apr. 4—Directors of the East Palo Alto Sanitary District will hold a protest hearing on assessments Thursday, Apr. 25, at 8 p.m. in Ravenswood School.

In order that they may be heard, protests must first be submitted in writing to Mrs. Ruth Lew, clerk of the board, at 1197 Beech St., East Palo Alto.

The recently-formed district is to proceed under the amended Municipal Act of 1913 with the installation of a sewage disposal system.

There is just the piano you want listed today in Tribune Want Ads.

Gen. U. S. Grant's tomb in New York was built by popular subscription at a cost of $600,000.

TOWN HALL MEETING

Tonight 7:30 p.m.
McKinley School

(Sponsored by Redwood City Merit and Retirement Systems Committee)

CONCERT BY
REDWOOD CITY MUNICIPAL BAND
WILL PRECEDE THE DISCUSSION PERIOD

No Admission Charge — Questions and Answers — Straw Ballot

LEARN ALL ABOUT:

PROPOSITION NO. 6
(CIVIL SERVICE)

By submitting this proposal to the voters, the City Council requests your "go ahead" signal for a classified CIVIL SERVICE SYSTEM in city government. The council proposes to enact (if you approve No. 6) a model Merit System Ordinance which will divorce city personnel from politics, raise standards of efficiency, improve service to the public, and assure fair treatment to city employes.

PROPOSITION NO. 7
(RETIREMENT SYSTEM)

By submitting this proposal to the voters, the City Council requests approval of the general idea of the retirement of city employes who have grown old in your service. The city council has in mind a retirement ordinance patterned after the State Employes' Retirement Act, which has been tested since 1931 by 26,000 state employes. This is the best, most economical system available to Redwood City.

Your City Council Recommends Your Approval Of These Two Measures

ELECTION TUESDAY, APRIL 9

'Citizens Economy Bloc' Is Organized

Organization of the Citizens Economy Bloc of California, statewide, non-partisan taxpayer group to support work of the bi-partisan economy bloc in the state legislature and oppose tax increases, was announced in San Francisco Tuesday. Former Lieut Gov. George J. Hatfield, Merced, is president; Leslie E. Burks, San Francisco, secretary of the real estate board there, secretary. Listed among the directors are J. Desmond Sullivan of Menlo Park.

BAD CHECKS REPORTED

SAN MATEO, Apr. 4 — Three groceries here reported to police that $31.68 checks made out to an Earl Howe and signed by an official of a San Jose construction concern had been returned as fictitious.

ACTIVITIES OF THE BOY SCOUTS

McKINLEY SCHOOL CUB PARENTS ORGANIZE

Plans for a new cub pack were announced to McKinley School parents at a meeting in the school auditorium. Troop Organization Chairman Louis C. Christensen explained the cubbing program and its relation to division and council cubbing activities. Principal Ralph Case described the cub-home relationship between mothers and their sons, by which parents assist with cubbing activities at den meetings. National parents' training sessions, for parents and cubs, will be held for three evenings, preparing the new pack for installation in May.

★ ★ ★

TROOP 120, REDWOOD CITY

Members are preparing for the Camporette. A special meeting was held at Mt. Carmel Social Hall to distribute equipment and work up individual packs. Charles Day and Andy Greco have been appointed patrol leader and patrol chef.

★ ★ ★

LEADERSHIP CHAIRMEN GATHER

Andrew Spinas, Redwood City school superintendent, will report needs for scouting leadership courses in the southern division at a meeting of the council leadership training committee Friday evening at 6:30 in Ada's Tavern, Burlingame.

★ ★ ★

TROOP 162, REDWOOD CITY

Scoutmaster Peter Grimes and Assistant Max Shaffer prepared the members for the troop installation ceremonies to be held this evening at Liberty Hall, Middlefield Rd.

★ ★ ★

SUMMER CAMPS TO BE ANNOUNCED

Chairman John F. Linden of Burlingame will preside Friday evening at a meeting of camping and activities chairmen. Plans for 1940 Summer camps, sea scout cruises, and cubbing activities will be made.

★ ★ ★

PACK 15, REDWOOD CITY

The monthly meeting was held for cubs and parents at the Sequoia High School Girl's Gymnasium. Cubmaster J. J. Graham was in charge. Wolf badges and gold honor arrows were presented to members of the dens.

★ ★ ★

PACK 3, EAST PALO ALTO

At a meeting of den mothers and den chiefs. Sylvan Wetmore was introduced as newly-commisioned cubmaster. Plans were announced for the monthly pack meeting tonight in Ravenswood School. Indian costumes have been made by cubs to be worn in games and stunts.

WHEN AN EMPLOYE GROWS OLD IN YOUR SERVICE--WHAT THEN?

Your answer will be your vote on PROPOSITION NO. 7 at the municipal election April 9.

PROPOSITION NO. 7 will bring the benefits of the STATE EMPLOYES' RETIREMENT ACT to Redwood City. It is just one step in a great national movement to solve the economic problems of old age.

PROPOSITION NO. 7 offers the only feasible retirement plan. Municipal employes are excluded from the Federal Social Security Act. They cannot share in the retirement benefits which the Federal Government extends to the army, navy, marine corps, postal, and other departments. Because retirement systems require large reserves, no small municipality can finance its own without assuming dangerous financial risks.

By participating in the STATE EMPLOYES' RETIREMENT ACT, the city and its employes will pay, share and share alike into a retirement fund under the same management which has been tested by 26,000 state employes since 1931. The system is just; it is sound; it offers actuarial and management services not otherwise available to the city.

San Mateo recently voted to clear the way to extend the benefits of the State Retirement Act to its employes.

WHAT HAS BEEN DONE IN SAN MATEO CAN BE DONE IN REDWOOD CITY.

Consider the alternatives: Would you maintain efficiency by the ruthless discharge of the older employe as age impairs his abilities? Or would you keep him working indefinitely as a costly incentive to the younger employe to be faithful and loyal? Neither of these!

PROVIDE FOR THE RETIREMENT OF THOSE WHO GROW OLD IN YOUR SERVICE.

Thus will the city encourage and reward faithful service.

Thus will the city become a wise and just employer.

VOTE "YES" ON PROPOSITION NO. 7.

Redwood City Merit and Retirement Systems Committee

ELECTION TUESDAY, APRIL 9

(Note: The committee likewise solicits your support of Proposition No. 6 to establish a civil service or merit system in Redwood City. Both of these measures are designed to improve the efficiency of municipal personnel).

Retirement Costs Awaited

"Town Hall" at McKinley School tomorrow night will offer music with its deliberations, the Redwood City Merit and Retirements Systems Committee announced today.

Redwood City Municipal Band will present a half-hour concert starting at 7:30 p.m., according to W. H. Thorpe, committee chairman. The band will be directed by Bernard W. McCann.

Short speeches on Propositions No. 6 (civil service) and No. 7 (retirement system) will be followed by a question and answer period. At the conclusion of the "Town Hall" meeting, a straw ballot will be taken in the audience to forecast the results of next Tuesday's election.

Figures on the cost of the retirement system are not yet available, according to Councilman Paul A. McCarthy.

"I received figures for all but the police and fire departments yesterday," McCarthy announced, "but they were estimated on different bases than we originally used. I expect to have the rest of the figures tomorrow and to be able to present the complete picture tomorrow night."

One reason for high estimated costs, McCarthy explained, is that the average age of all city employes now stands at 45 years. This requires a large reserve to be placed to the credit of those with long service records.

Half of the reserve would be paid by the city, half by the employes by payroll deductions. Instead of raising the entire reserve in one year, it may be retired over a period of years, McCarthy explained. Figures submitted by the actuarial investigators yesterday were for 20 and 30 year-reserve retirements. Original city estimates were on a 25-year plan.

Seniors To Attend Campus Day at J. C.

Seniors from Sequoia High School will be among the more than 400 June graduates expected to attend the San Mateo Junior College Campus Day Thursday, Apr. 17.

Seniors from Half Moon Bay, Palo Alto and Pescadero High School will comprise the remainder of the group. On the preceding Wednesday 475 graduating seniors from Burlingame, San Mateo, South San Francisco and Daly City High Schools will visit the campus.

A program of classroom visitation has been arranged, together with a noon dance and opportunities for the future collegians to consult junior college instructors on their educational plans and where and how they can best carry them out.

CCC OPEN HOUSE SET

With Apr. 5 marking the seventh birthday of the Civilian Conservation Corps, open house will be held in all CCC camps on that day and this week is being celebrated, under proclamation of the governor, as CCC Week.

Quills are said to have been first used for pens in the year 553.

What If It Was A Day Early? It Was a Good Joke

An ambulance backed into the driveway at a house on the corner of Harrison Ave. and Clinton St., Redwood City, Sunday, causing great excitement in the neighborhood.

A crowd gathered round; neighbors watched anxiously out their windows.

A reverent silence held the onlookers as the driver jumped out of the ambulance.

He ran around to the machine's back door—the crowd becoming more tense—and lifted out—a vacuum cleaner, which he carried into the house as the people scattered disgustedly.

Sea Dog Tells Of Philosophy

A philosopher as well as a sea dog, Capt. George A. Dibbern, the native-born German who for 10 years has called the sea his home, last night before the Lions Club and guests expounded on the values of friendship, love, service clubs, communities and families as much as he did on the beauties of the oceans and the countries he has visited.

Captain Dibbern, who has had his 32-foot sailing ketch tied up at the Redwood City Yacht Harbor since Easter Sunday, gave a graphic description of some of his travels, particularly his 101-day voyage in 1932 from Europe to San Francisco; told of how he made his own banner rather than use the German flag because he had come to love so many countries; described so visually a 40-hour storm at sea that he nearly made some of his listeners sea sick.

But despite his great love for the sea, the wiry mariner appeared to have a deep love also for his fellow-man despite the fact he often goes day after day without seeing another human being except the two English women who are members of his crew.
